Comments:

Attached is an agenda for the upcoming meeting of the San Gabriel Perchlorate Coordinating Team meeting on Tuesday, June 30, 1998, at 9:30 a.m. at the City of Azusa's Light & Water Building, 729 North Azusa Avenue, Azusa, CA 91702.

A field trip to Valley County Water District's Big Dalton Well site is planned as the first item on the agenda, providing Calgon Carbon/AST's pilot test is operational (the pump at the Big Dalton Well is being repaired). We will assemble at Watermaster's office at 9:30 a.m., then caravan to the pilot test site.

If you have any questions, please call me or Rick Sase at (626) 815-1300.
